PROFILE

Compassionate and highly experienced pediatrician with a proven track record of excellence in providing comprehensive medical care to children from infancy through adolescence.

EXPERIENCE

PEDIATRICIAN • AUGUST 2010 – February 2025

Good Care Pediatrics • Brooklyn, New York

- Provide comprehensive medical care to pediatric patients, managing an average caseload of 30-40 patients daily, with the ability to handle up to 50 patients efficiently.
- Diagnose and treat a wide range of acute and chronic pediatric conditions, ensuring high standards of clinical care and patient safety.
- Conduct routine wellness checkups, vaccinations, developmental screenings, and preventive care services to promote overall child health and wellness.
- Build strong, trusting relationships with patients and families through clear communication, empathy, and patient education.
- Collaborate with multidisciplinary teams to address complex medical issues and coordinate care plans as needed.
- Stay current on advancements in pediatric medicine through ongoing education and professional development to provide the best possible care.
- Maintain meticulous medical records and ensure compliance with all regulatory guidelines and best practices.
- Serve as a mentor to junior staff, fostering a supportive and educational clinical environment.
